What is Supplemental Enrollment?
High school students who are not enrolled in the Post Secondary Enrollment Options program may still be eligible to register for courses at Century College through the supplemental enrollment process. The supplemental enrollment process is for high school sophomores, juniors and seniors who are interested in registering for courses at Century College, but are either ineligible for the PSEO program, or are interested in taking summer courses.

Only college level courses (courses numbered at 1000 or higher) are eligible for this program, with the exception of developmental math courses which Supplemental Enrollment students may be eligible for on a space available basis.

Supplemental enrollment is not an open enrollment program; students must meet minimum criteria in order to be eligible and courses are offered on a space-available basis only. Tuition and any other fees accrued are the sole responsibility of the student. Seniors must be in the top 50% of their high school class; sophomores and juniors must be in the top 33%. Students that do not meet the class rank requirement, or come from a high school that does not rank its students (which includes home schools and ALCs), may still be considered for the program through an appeal process as described on page two of this application.

Please note, applications are valid for only one semester. Students wishing to participate for more than one semester must fill out a new application each semester. However, students will only be charged the $20 application fee one time.

Enrollment Steps
You will need to notify your high school that you are interested in participating in the Supplemental Program. There are three basic steps in applying for and enrolling in Century’s Supplemental Enrollment program:

Step 1 – Meet college-level Reading Comprehension requirement
Step 2 – Meet and gather application materials for Option 1 or Option 2
Step 3 – Complete and Submit Application Materials with the $20 application fee to:
Century College – Office of Admissions
3300 Century Ave. N.

<tr>
<td>Spring, Summer, or Fall</td>
<td>Minimum 5 business days prior to start of class</td>

</table>

Students are accepted on a rolling basis.
Step 1 – Demonstrate college-level placement in Reading Comprehension

Century College believes the best mechanism for measuring student readiness for college is our ACCUPLACER Course Placement Test in reading comprehension and mathematics. (For information about the ACT, please see section below.)

Taking ACCUPLACER: ACCUPLACER needs to be completed before the application deadline, and a copy of the ACCUPLACER score report must be submitted with the application. Keep in mind that the test may only be taken twice in a 12 month period. In addition, students testing for the second time will be charged a $10 retest fee. Accommodations for test takers can be provided through the Access Center. Please call 651.779.3354 to see if a student qualifies for accommodation services.

Students must bring a photo ID.

What are the required assessment test scores?

Students who are unable to attend the New Student Orientation session may automatically forfeit their spot in the Supplemental Enrollment Program.

⇒ The New Student Orientation session is a MANDATORY event that involves both large and small group activities.
   It is designed to prepare students for a successful start at Century College. New Student Orientation sessions take approximately 2.5 hours.
⇒ The session will cover all services, programs and activities available to Century students. It is our attempt to inform students about everything that is available to them at Century. Critically important college policies are also discussed.
⇒ At the New Student Orientation session, students will meet with an Academic Advisor or Counselor individually and are given the opportunity to register for courses. Students can ask Century staff about the best way to set up a course schedule in light of overall college goals or demands such as work, high school extracurricular activities, transfer to four year colleges, etc. Students should meet with their high school counselor prior to their New Student Orientation session in order to confirm any courses they may be required to take at Century to fulfill any incomplete graduation requirements.
